2% government levy on daily rates and trophy fees
 \$120 per CITES tag (leopard, elephant, crocodile)
 Client can shoot an elephant, a buffalo & sable in 10 days.
 Leopard - Ideally 14 days is better than 10 days for leopard.
 (Optional to add extra days).
 Hunt Area: Next to Matetsi Unit 1 & 4. Rustic thatched camp.
 Camp is 50kms from Vic. Falls.

Quotas: Elephant x 4, sable x 8, leopard x 4, buffalo x 12

Best time for elephant is March/April or end of the season August, September, October.

We operate on 3 different areas, upon booking you are entitled to the hunt on the area where the camp is situated. The other 2 areas are second areas and fee \$200 per second area is payable for the full duration of the hunt. E.g. Once you have paid \$200 you can then access the other areas for the whole time you are there. This will maximise your chances.

Deposits: 35% on the full safari. Balance payable before hunt commences.
